**MEMORANDUM
AND ORDER**

This matter is before the court on correspondence from the Plaintiff dated August 14, 2018, which the court construes as a motion for extension of time.¹ ([Filing No. 17.](#)) On August 15, 2018, the court entered an order requiring Plaintiff to show cause why this case should not be dismissed for failure to pay his initial partial filing fee. ([Filing No. 15.](#)) In his letter, Plaintiff appears to indicate that his institution did not process his funds request as Plaintiff anticipated and asks if he can have a longer extension. ([Filing No. 17 at CM/ECF p. 1.](#)) Upon consideration of Plaintiff's request, the court will grant Plaintiff's motion for extension.

¹ Plaintiff's letter does not include his case number and the court directed the clerk's office to file the letter in this case as a motion. Plaintiff must include his case number on any documents he files with the court. *See* NECivR 10.1(a)(3) ("A document must plainly show the case caption, a description or designation of its contents, and the party or person/entity on whose behalf it is filed. All documents after the pleading initiating a proceeding must also show the correct docket number. . . .").

IT IS THEREFORE ORDERED that:

1. Plaintiff's letter, construed as a motion for extension of time ([filing no. 17](#)), is granted. Plaintiff has until **September 21, 2018**, to pay his initial partial filing fee of \$4.15.

2. The clerk's office is directed to set a pro se case management deadline in this case using the following text: **September 21, 2018**: initial partial filing fee payment due.

Dated this 22nd day of August, 2018.
